

# Our Advent Family Prayer

God of Peace, we take refuge in You.

Behold our family here, listen to our prayer and grant us Your perfect peace and protection.

Every act of violence and fighting in our family, our home and our community destroys Your reign of love and peace.

Strengthen in me a renewed sense of respect, love and forgiveness for all my family and friends, my neighbours, my community, and all life that You have created.

Pour love and peace into my heart and grant me the vision to recognize Your spirit in everyone around me, in all times and in all places. Help me to love others as You love us.

May our hearts and minds be healed, and may we all find our way to You, Our God who brings us from violence to peace, from fear to love.

May I play my part in ending violence in all its forms by realising that peace and harmony begins with me and with my family.  
May all glory be to You our Lord and God, whose power of the Holy Spirit working in us can do more than we can ask or imagine.

Amen
